Holiday Concepts' artificial tree warranty covers the lights on pre-lighted trees and the construction of both pre-lighted and un-lighted trees. Holiday Concepts warranties the light sets on our trees for a period of three years with the understanding that the light sets are UL listed for indoor use only.

Outdoor use of Holiday Concepts trees will void the warranty.

This warranty also covers the construction of the trees. This part of the warranty covers Holiday Concepts artificial trees for a period of ten years and applies to defects resulting from manufacturing; this warranty will not cover Holiday Concepts trees that have been mishandled or abused.

Holiday Concepts will work with retailers that sell our trees and their customers to resolve any problems they may have with our products.
